## **Sen. Brown to spend day in Blissfield**

**LANSING** – State Sen. Cameron S. Brown, R-Fawn River Township, will tour the village of Blissfield in Lenawee County on Monday, Oct. 10.

Brown will begin the day at 11 a.m. by touring Blissfield Manufacturing, a manufacturer of heat exchange products.

Senator Brown will then attend the Blissfield Area Chamber of Commerce luncheon from noon to 1:30 p.m. at The Stable on the corner of U.S. Highway 223 and Main Street.

After lunch the senator will continue his Blissfield visit by touring Maxitrol Company, which makes controls for the gas industry.

Brown will then visit Riverbend Timber Frames and Insulspan, Inc., which manufactures custom timber frame homes.

The Blissfield tour will continue with a visit to Cakes and Shakes Bakery and conclude with the Senator giving a legislative update at the Blissfield Village Council meeting at 7 p.m.

“We are looking forward to spending the day in Blissfield with Senator Brown,” said Blissfield Area Chamber of Commerce President and Downtown Development Authority President Shelly Woods. “We hope that his tour will continue a line of communication between him and the many manufacturing companies in our village.”

“This tour is part of an ongoing effort to spend an entire day, not just an hour or two, in communities throughout the district,” Brown said. “It is important to me to invest this time in order to better understand the issues and needs of the people in the 16th Senate District”
